Dear Parent/Guardian:

Students are unable to participate in this portion of the curriculum unless consent is explicitly granted.

As part of the Alberta Program of Studies, **Grade 9** students take [Health and Life Skills \(Health and Life Skills\)](#). As a part of this Program of Studies, students will begin learning about human sexuality in an age-appropriate and respectful ways. These specific learning outcomes exist with the “Wellness Choices” unit, and the specific topics are outlined in the chart below.

Your student’s class will start learning about this topic on or after **April 13, 2026**. Please refer to the table in the attached opt-in consent form for a detailed outline of the learning outcomes addressed in this unit. Parents/Guardians may choose to opt-in to all or selected outcomes. Your consent is required by **April 6, 2026**.

Parent/Guardian Options:

1. **Opt-In Full Consent** – Your student will participate in all Human Sexuality lessons.
2. **Opt-In Partial Consent** – Your student will only participate in the Human Sexuality lessons which relate to the learning outcomes you agree to. The teacher will provide alternative learning tasks and assessments.
3. **Non-Participation** – Your student will not receive these lessons and will be provided with alternative learning tasks in a supervised setting.

Please note partially opting in or non-participation in these Human Sexuality lessons will not affect a student’s **Health and Life Skills** grade as the teacher will provide alternative learning tasks and assessments.
